

# The iDigBio E&O Webinar Series proudly presents Serri Graslie:

*How to Design a Great Storytelling Project:  
Insights from NPR Training*

How does your collection currently communicate with the online world?

Join us for an exciting opportunity to learn about digital storytelling from Serri Graslie, a member of NPR's training team, and ask her questions on how you can improve your storytelling!

**When:** Wednesday, April 12, 2017 - 3:00pm to 4:00pm EDT

**Where:** <http://idigbio.adobeconnect.com/room/>

**More Information:** <https://www.idigbio.org/content/how-design-great-storytelling-project-insights-npr-training>
