## Office of Contracting and Personal Property Management

Notice to all Current and Prospective Smithsonian Institution Contractors

Subject: Mandatory Registration in the System for Award Management (SAM)

Individuals and companies that want to do business with U.S. government agencies, including the Smithsonian Institution, are required to maintain active and valid registrations in the System for Award Management (SAM). We are informing you of this requirement because you are a vendor who is already providing goods or services to the Smithsonian, have been requested to present pricing and/or proposals for goods or services, or currently participating in a Smithsonian solicitation for goods or services. Smithsonian employees are not authorized to complete contract and purchase order awards to vendors whose SAM registrations cannot be verified as active.

Registration with SAM is free and best accomplished via <https://www.sam.gov>. Before you begin SAM registration you will be required to obtain a DUNS number from Dun & Bradstreet (D&B). Access to D&B is available from the SAM website or at the company website, <http://www.dandb.com>. DUNS numbers are free when you indicate the number is needed to complete registration for U.S. government contract and grant awards. **Please note: Both the SAM and D&B websites include advertisements for private businesses offering registration assistance and other services for a fee. The utilization of such businesses is at your discretion and any fees paid are not reimbursable by the Smithsonian.**

Included with this letter are tips on how to register in SAM. These have been written by the Smithsonian Office of Contracting and Personal Property Management and are intended to convey specific information on how to register with SAM to do business with the Smithsonian. Full guidance on how to register in SAM is available from the Federal Services Help Desk (FSD) and Professional Technical Assistance Centers, as described in the tips.

Beginning on March 23, 2018, SAM requires all entities to mail a notarized letter to designate a system administrator before registration is completed. Please allow time within your registration planning and process to accommodate this requirement. The notarized letter must contain specific language written by SAM and outlined on the FSD website. More information on this notarized letter is contained in the tips portion of this letter.

Thank you for your attention to this matter. If you received this letter in conjunction with a solicitation or Request for Quote, please address any questions you may have to the Smithsonian point of contact whose name and telephone number are provided therein.

Sincerely,

A handwritten signature in black ink, appearing to read "Thomas E. Dempsey".

## General Tips for Businesses To Register in SAM

1. **There is assistance directly on the SAM website to start registration.** Look for quick start guides and the SAM user manual using the Help tab on the SAM.gov website. These guides are helpful for vendors in completing the SAM registration process.
2. **You control all information entered into SAM, and may opt out of public searches.** If you choose to opt out of public searches, please notify the Smithsonian employee you are working with and provide confirmation of your SAM registration.
3. **Your IRS Tax Payer Consent Name in SAM must match your Legal Business Name in Duns and Bradstreet (D&B).** The Smithsonian will use your Legal Business Name in D&B to register you in our internal payment and tax reporting system. If your Legal Business Name in D&B and your Tax Payer Consent Name in SAM do not match this will create problems for you both while receiving payment from the Smithsonian and when paying taxes. (These two names may be different only if you are a single member LLC, and you report and pay taxes to the IRS using the owners name and tax id. In this case, IRS will count the owners name and tax id as the legal business name while disregarding the legal business name of the LLC registered in SAM.)
4. **You must register as eligible to receive “All Awards”.** When establishing an account, vendors have the option to register to receive either “All Awards” or “Federal Assistance Awards Only.” All Awards includes all procurement transactions issued by the Smithsonian. To do business with a vendor they must be registered appropriately. The Smithsonian does not distribute federal assistance awards, and cannot do business with vendors who are registered only to receive such awards.
5. **There can be no breaks in registration after completion.** After you have completed registration you will be required to update your information if it ever changes (such as mailing address or banking records) and notify Smithsonian staff as soon as possible. You will also be required to validate your registration at least annually. Your SAM registration must be active throughout the term of the award and when modifications or amendments to awards are required.
6. **Free assistance with SAM registration is available via the Federal Service Desk (FSD).** This is available at <http://www.fsd.gov>, 24 hours a day, or at the toll-free number 1-866-606-8220, from 8:00 am to 8:00 pm ET.
7. **Procurement Technical Assistance Centers (PTAC) offer free assistance with SAM registration and obtaining a DUNS.** These centers are non-profit, non-governmental organizations established to assist you with doing business with the government. You must use the local or regional office closest to your business address. Locate the center nearest at <http://www.ptac-us.org>.

## Tips for Businesses To Register in SAM – Submitting a Notarized Letter

Guidance for the required notarized letter is found at [www.fsd.gov](http://www.fsd.gov) in the frequently asked questions section. The following information is extracted from the guidance. For further questions regarding the letter requirement, please contact FSD.

---

Excerpted from the FAQ section of [www.fsd.gov](http://www.fsd.gov).

When you register a new entity in the System for Award Management (SAM) at [www.sam.gov](http://www.sam.gov) to do business with the U.S. Government, we require a notarized letter stating you are the authorized Entity Administrator before we will activate your SAM.gov entity registration.

1. This notarized letter needs to:
  - Be on your company/organization letterhead
  - Be signed by your company President, CEO, or other authorized signature authority
  - Contain your company/organization DUNS Number
  - Contain your company/organization Legal Business Name (as associated with the DUNS Number)
  - Contain your company/organization physical address (as associated with the DUNS Number)
  - Contain the new Entity Administrator's name, phone number, address, and email address
  - Contain the following statement above the signature block of your letter with the appropriate information inserted where noted:

“The purpose of this notarized letter is to designate **[insert name of Entity Administrator]** as Entity Administrator for **[insert Legal Business Name]**. I, **[insert Name and Title of signatory]**, hereby confirm that **[insert name of Entity Administrator]** is an authorized officer, agent, or representative of **[insert entity Legal Business Name, or, for individuals representing themselves, say him/herself]**. This letter will authorize **[insert name of Entity Administrator]** to have access to the System for Award Management (SAM). SAM is a computer system managed by the U.S. Government, and it is only accessible by individuals who are either authorized to represent a particular entity, or by individuals representing themselves. Accessing or using SAM, or information contained therein, for any unauthorized or illegal purposes, may have civil and criminal penalties, and may negatively impact the status of the SAM registration maintained on this entity. I, the below-signed, attest to the accuracy of all information contained in this letter.”

2. There is no cost to register in SAM -- it is free. However, if you choose to have a third-party company administer your SAM registration, with or without an associated fee, include the following statement in your notarized letter:

“For the purpose of registering with the United States Government through the online System for Award Management (SAM), I do hereby authorize **[insert name, phone number, address, and email address of the Third-Party Agent]** to act on behalf of **[insert entity Legal Business Name, DUNS Number, physical address, authorizing party's email address, and phone number]**. This authorization permits **[insert name, phone number, address, and email address of the Third-Party Agent]** to conduct all normal, common business functions within SAM while binding the signatory to all actions conducted and representations made as a result of authorization granted herein.

3. If you will not have a third-party company managing your SAM registration, include the following statement in your notarized letter:

“For the purpose of registering with the United States Government through the online System for Award Management (SAM), I do not authorize any third party to act on behalf of **[insert entity Legal Business Name]**.”

4. Letters omitting either the third-party authorization referenced in Step 2 or the statement referenced in Step 3 will be considered unacceptable.
5. The new Entity Administrator must have an individual SAM User Account created with the e-mail address provided in the notarized letter.
6. You must mail the original letter signed by the Notary to:

FEDERAL SERVICE DESK  
ATTN: SAM.GOV REGISTRATION PROCESSING  
100 CAPITOL COMMERCE BLVD STE 309  
MONTGOMERY, AL 36117-4260

7. We will review your letter prior to activating the SAM registration.

## Background Investigations and Credentials for Contractors' Personnel

This information applies to the Contractor's employees and subcontractors, who provide services for the Smithsonian Institution (SI). All contractors are subject to SI security directives in effect during the duration of their contracts with the SI.

1. **Background Investigations.** Specifically, all Contractor's employees to be assigned to the SI under this contract shall be required to receive an SI Credential if their association with SI will be greater than thirty (30) days and they will need access to staff-only areas of SI controlled facilities and leased spaces. Prior to being issued this SI Credential, the Contractor's employees shall be required to undergo and pass an appropriate background investigation and complete security awareness training. The Contractor's employees whose associations with the SI shall be less than 30 days shall not receive a background investigation or SI Credential, however, they must be escorted by Credentialed personnel at all times when in staff-only areas of SI facilities. Upon successful completion of a background investigation, the Contractor's employees to be assigned to SI shall be issued an SI Credential that must be worn and visible at all times while on duty and within staff-only areas of SI facilities. If the nature of the work does not require escorted access to SI facilities, or when SI Credentialed staff can accompany contractors at all times, the Contractor and/or Contractor's employees may begin work prior to receiving an SI Credential. Contractor's and subcontractor's employees shall not be allowed unescorted access to SI staff-only areas until they undergo an adjudicated background check and receive an SI Credential.
2. **Forms, Information and Reviews Required.** The Contracting Officer's Technical Representative (COTR), or other designated SI employee, shall furnish the Contractor with an OF-306 (Declaration for Federal Employment form). An OF-306 must be completed by each person employed by the Contractor who shall be assigned to SI. Completed forms OF-306 must be returned by the Contractor to the COTR, or other designated SI employee, within ten (10) workdays from receipt of the forms. Upon notification from the COTR or designated SI employee the Contractor shall send each employee to be assigned to this contract to the SI Personnel Security and ID Office for fingerprinting. For contractors to SI organizations outside the Washington DC and New York City areas, SF-87 Fingerprint Cards shall be provided to the Contractor by the COTR or other designated SI employee. If necessary, the forms SF-87 shall be submitted by the Contractor with the OF-306. Based on the information furnished, the SI shall conduct a background investigation referred to as Special Agreement Checks (SAC). The SAC includes but is not limited to:
  - Security Agency Checks (record of previous suitability determinations)
  - FBI National Criminal History Check
  - Law Enforcement Checks

SI shall review the investigation results and determine if the contractor and contractor's employees did not provide their true identities, or are otherwise not suitable for an SI Credential. SI shall provide the contractor with reasonable notice of the determination, including specific reason (s) the individual(s) has been determined to not have provided his/her true identity or is otherwise unsuitable for an SI Credential. The contractor or subcontractor has the right to answer the notice in writing and may provide documentation that refutes the validity, truthfulness, and/or completeness of the SI initial determination. After consideration of the initial determination and any documentation submitted by the contractor for reconsideration, the Director, Office of Protection Services (OPS), SI, or his/her designee, shall issue a written decision. The reconsideration decision by the Director, OPS, shall be final.

3. **Term Requirement for SI Credentials.** Throughout the life of the contract, the Contractor shall provide the same data for each new employee(s) or subcontractor(s) who will be assigned to this contract. The Contractor's SI Credentials shall expire annually and must be renewed, if necessary. It is the Contractor's responsibility to initiate the renewal process. The Contractor is not required to submit another set of background investigation forms for the Contractor's employees who have already been through this process.
4. **Relinquishing SI Credentials.** Upon expiration of the contract, or removal or termination of the Contractor's employees assigned to SI facilities, the Contractor shall return all SI Credentials issued to the Contractor's and /or subcontractor's employees to the COTR or other designated SI employee.

Such license includes, without limitation, the rights to reproduce, publish, translate, broadcast, transmit, distribute, exploit, display, use, sell, and/or dispose of such Subject Data in any manner, and to authorize others to do so. In the event that Contractor does not have the right to grant such a license with respect to any such Subject Data, Contractor shall immediately notify the Smithsonian of this fact and

obtain Smithsonian's prior written permission to incorporate such Subject Data in the work. (e) The Contractor hereby warrants that the Subject Data delivered to Smithsonian pursuant to this contract does not infringe statutory copyrights or common law literary rights of Contractor or others and contains no matter libelous or otherwise unlawful. Contractor agrees to indemnify the Smithsonian Institution, its Board of Regents, officers, agents, and employees against any liability, including costs and expenses, for: (i) violations of copyright or any other property rights arising out of the use, reproduction, or disposition of any Subject Data furnished under this contract; or (ii) based upon any libelous or other unlawful matter contained in said Subject Data.

(f) The Contractor agrees to report in writing to the Smithsonian Office of the General Counsel, promptly and in reasonable detail, any notice or claims of copyright infringement received by Contractor with respect to any Subject Data or other material delivered under this contract.
