

# CoNNExINS

The Brain is  
DIVERSE  
as WE are!

Colloquium for NYU Networking:  
Extramural Invited Neuroscience Students

*June 13-14, 2024*

*Apply [here](#) by April 14, 2024*

*Are you a senior graduate student interested in sharing your research with the NYU Neuroscience Community and exploring potential postdoctoral training opportunities? Join us for the 4th annual CoNNExINS symposium!*

**Members of underrepresented groups are strongly encouraged to apply.**

2-Day Program where you will:

Present and discuss your graduate research by giving a talk to the NYU neuroscience community, including trainees and faculty

Connect with NYU Neuroscience Leadership and community

- One-on-one meetings with faculty
- Showcase of neuroscience research at NYU
- Panel discussion with current and former postdocs about life as a postdoc at NYU
- Learn more about postdoctoral training, diversity and outreach

**Applicants must be traveling from within the United States.**
